

1360.1300 BUILDING PERMITS.

Subpart 1. **Application for permit.** An application for a building permit to a local building official for the installation of prefabricated buildings pursuant to this code must in addition to any other requirements contain:

A. a statement that application is made for permission to install prefabricated buildings in accordance with the provisions of the code, signed by the applicant or the applicant's agent with the appropriate address;

B. a copy of the site and building plans and specifications and evidence of plan approval by the state building inspector; and

C. the information required on the data plate (part 1360.2400).

Subp. 2. **Issuance.** The local building official must issue a permit, license, certificate, authorization, or other required document, as the case may be, for the installation of the prefabricated building if the application is submitted in accordance with this code. The manufacturer shall submit evidence to assure that the design loads are in accordance with the appropriate provisions of the code. Foundation plans, all utility installations and connections, and all provisions of part 1360.1100 are subject to local approval.
